

Friends of Walkden Gardens

Membership Form

We are a friendly and enthusiastic group of people whose aims are to improve and restore Walkden Gardens for the benefit of the whole community. Since we formed in February 2001, we have established good relations with Trafford Borough Council, local Ward Councillors, police representatives and the local community. We hold a variety of public events throughout the year plus hands-on working days.

There is no fee for membership. However, if you would like to make an annual voluntary donation towards the costs of running the gardens, we would suggest no more than £5.00 per member. This will go a long way towards the purchase of materials to increase the beauty of the existing gardens. Please make cheques/postal orders payable to "Friends of Walkden Gardens" (no cash please) or pay via the Paypal button on our website.

To become a member/renew your membership (thus keeping our database up to date) please complete and return the form below even if you are not making a donation. Your details will be kept on computer for the sole use of Friends of Walkden Gardens. Thank you for your support.
